REFINED LONG HAUL COMFORT

- Exclusive Serta Cool-Action Gel Memory foam for improved comfort, support, and temperature regulation
- Exclusive BackCycler[®] - better than massage. Cyclical inflation moves spine to help eliminate stiff back
- Larger, more adjustment points means personalized, luxurious comfort
- Premium wide stance isolating scissor suspension for superior buffering to your body from the road

★ **WIDE RIDE[®] CORE**

SMARTER THAN EVER

- New premium features enhance the driving experience over regional or long-haul routes at an affordable price
- Reduce fatigue with the improved WR2 seat suspension, available in high or low-profile configurations
- Perfect your seating position with front and rear cushion-tilt adjustment and cushion extension
- Now available with optional "Smart" seat memory switch to dump air out of the suspension for a quick exit. Upon return the AUTO switch will return the seat to the previously used position

★ **PRO RIDE**

THE PRO'S SEAT

- Wide stance scissor action suspension for best in class vibration dampening and stability
- Unique ergonomically designed foam for comfort both while driving and after the haul is done
- Longer 16" adjustable arms with easy adjust wheel for improved arm support
- Easy to refresh design reduces costs of ownership and lengthens the life of your investment

★ **PATRIOT**

ALL AMERICAN WORK HORSE

- Wider, two piece upper provides easier upgrade and maintenance resulting in lower cost of ownership & longer seat life
- Flex-O-Later cushion support with less pressure on the seat than pan style support
- ParaBar II manual lumbar adjustment with focused support on each side of the spine, rather than on the spine for support without pressure point pain
- Durable scissor action suspension for true horizontal vibration dampening giving you dependable comfort and a stable driving platform
