## ADMIRAL with BackCycler®

### COMMANDING COMFORT

AVAILABLE WITH OPTIONAL  
*ComforTEK™*  
COOLING SYSTEM

Shown: 40149.353

#### LONG HAUL

- BackCycler®, triple air lumbar, air bolsters, front and rear cushion tilt, thigh extension, long 9" track... All these adjustment points are standard on our Admiral and Commodore series seats to give you a personal fit and comfort. Plus the Admiral comes equipped with a swivel so you have a chair in your sleeper.
- The Admiral uses the same HP suspension as on the Commodore with an additional adjustable shock so you can fine tune your ride for your body.
- The Admiral is available with the optional ComforTEK seat ventilation system that circulates air in the cushion and back keeping you cooler and able to run longer.

## COMMODORE with BackCycler®

### LONG HAUL PERFORMANCE

Shown: 40050.346

#### LONG HAUL \ REGIONAL

- The Commodore features the HP air suspension, known to deliver best-in-class road-vibration dampening to keep you running in comfort all day.
- The seat upper features our largest back and cushion, with optional 17" long arms for more room to get comfortable and provide support you need.
- Our exclusive BackCycler® system delivers continuous movement to ward off stiff backs and pain, letting you step out of the cab fresh and ready to enjoy time off the road.

## CORSAIR with BackCycler®

### CONTOURED COMFORT

Shown: 51100.665CB

#### LONG HAUL \ REGIONAL

- The Corsair features the dependable 95 suspension with ergonomically designed seat upper - a winning combination developed from a study of over 2,000 drivers.
- A long list of adjustments are found on the Corsair, such as triple air lumbar, seat tilt, and thigh extension to ensure you can get the right fit. All this plus the available BackCycler® which cyclically inflates and deflates to relieve back pain caused by sitting still on those long drives.
- Not only does the Corsair step up the comfort, but it also delivers it with enhanced trim options that ensure it looks as good as it feels.

#### TOP SELLERS

## REFUSE

### WASTE REFUSE TRUCKS

- WATER RESISTANT
- STAIN RESISTANT

Shown: 40235.078

#### SPECIALTY

- The Refuse Seat offers a better comfort choice for waste management professionals. Its key adjustment features, such as air suspension and continuous recline, provide exceptional comfort.
- The Refuse Seat's air lumbar provides a body-conforming range of support versus the mechanical lumbar that competitors offer.
- The Refuse Seat also gives you better durability with water and stain repellant trim material and a sealed cushion. These allow you to keep your seat looking newer longer.

#### TOP SELLERS
